Arroqueño

Master Mezcalero: Juan Hernández Méndez
NOM: NOM-0496X
Agave Varietal: Arroqueño
Scientific Name: Agave americana
Town / Municipality: Santiago Matatlán
State: Oaxaca
Fermentation: Natural, Open-Vat Fermentation in Wood
Still Type: Copper Alembic
Dates of Distillation: December 2017
Number of Liters in Distillation: 500
ABV: 44%

Tasting Notes: Botanical and floral. Perfumery, spice market, and burnt orange on the nose. Lovely notes of green plantain and citrus on the palate. This delightful expression of Arroqueño is the most aromatic of the 7 distillations from Erstwhile Mezcal's 2018 flagship line.
